

**Hi Everyone....**

**The words of Paul to the Church in ancient Rome are still so pertinent to us today.....**

**“I live with the confidence that there is nothing in the universe with the power to separate us from God’s love.”**

**Romans 8 vs 38 (TPT)**

**This, of course, does not mean we are immune from all that life throws at us...but it does mean that even in the worst of times God is still able to take every detail of our lives and somehow weave those difficult experiences into something that can bring good.**

**This coming Sunday we have our final church family special. The theme will be ‘I AM the LIGHT of the World’.**

**These have been a great time for the children to come back to church. The team will be planning another fun filled time of family worship....don’t forget to give us plenty of notice if you’re hoping to attend....by Thursday night if possible please !**

**There will be an online service as usual for those of you unable to be there. Jon Darby will be sharing a message in our Holy Spirit series about being filled with the Spirit.**

**Our next in person service for all will be on the 18th July.**

**Church Family News:**

**Firstly here’s a special message from Emma.. Thank you church family for praying for me and my dad at this really sad time, as we mourn the loss of my mum Sylvia.**

I have to tell you I am so sad and feel such a long way from my own family and my dear church, but it is right I am with my dad for now. Thank you for all your messages of love, encouragement and concern. I want to thank you for 'embracing' my mum, she really loved the church at HBCC. Today we are finalising the date of the funeral; there will be a Zoom link which I will post on the HBCC family Facebook page.

With love Emma and dad - Bill. xx

**Mick and Angela have now moved into Tarleton Village and Heather and David have moved into Christian Central, otherwise known as Fermor Road ! We wish both families a very happy time in their new homes.**

### **Meals:**

**If you have ever had a meal delivered during a difficult time, you know what a blessing and help it can be. It's also a lovely way that we can bless and stand with each other at such times. In order for this to happen throughout church it would be really helpful to know who is able and willing to make an occasional meal. If you could help please text Linda or email the office.**

### **Lifegroups:**

**These are our way, as a church family, of connecting with each other on a more personal level, usually every two weeks. Many of you are already part of one...but if anybody would be interested in joining one please contact us at the church office and we'll get back to you.**

### **Community News:**

**This coming Saturday there will be a vaccine bus located in Mark's Square, Tarleton. It will be there from 10am-4pm and anyone over 18 can attend and be vaccinated. There is no need to book an appointment. If this does not suit, you can still book online at the National Booking Service System for one of the West Lancs Centres.**

### **Mind Your Head**

**So many in society have been struggling with mental health during this past year of Covid. Maybe you have a neighbour or friend who would benefit from the Mind Your Head support group.
